

**Are you 12 years
of age or older?**

**Are you a non
smoker?**

**Do you
have
Asthma?**

If so you may be eligible to participate in a clinical research trial evaluating an investigational medication's effectiveness when added to an existing Asthma therapy.

Study Requirements*:

- *Minimum of 6 months documented diagnosis of Asthma from a physician*
- *Participants must be 12 years of age or older*
- *Participants that are NOT smokers*
- **Other requirements apply*

Participants Receive:

- *Study-related investigational medication at no cost*
- *Study-related care from a board-certified physician at no cost*
- *Compensation for your time and travel (upon qualification)*

Call, text or visit our website to see if you qualify.
